

## EASTER LILIES

Easter Lilies tall and white  
Shining in the morning light

All lined up to hear us sing  
Praises to our risen king

We are joyful on this day  
As we bow our heads to pray

GOD you sent the perfect lamb  
To take away the sins of man

## WHERE IS MY KING

Where is he  
Where is he  
Where is my king

The angels said to them  
Hear this great thing

Why seek the living  
Among the dead

Remember the promise  
Our Lord Jesus said

Your king has risen  
On this, the third day

Inside the tomb  
He did not stay

This is the way  
He said it would be  
Our savior from Galilee

Go tell his disciples  
Rejoice and sing

For the gift that he gave us  
Jesus, our king

## AFFIRMING COMMUNION

Once upon a star  
A king was born  
In a land so far

Emmanuel  
“God with us”

Born under a brilliant star

His Father  
The creator, in heaven above

His Mother  
Mary, raised Him  
With love

Someday someday, His Father said  
You’ll receive my Son  
In the wine and the bread
