*"That which gives is the heart, the fingers only let go."*

Unique Christmas gifts made by artisans from around the world - Nativity Scenes, Wall Hangings, Embroidery, Candleholders, Calendars, and so much more. See the website for a complete catalog: <http://www.tenthousandvillages.com/home.php>

**Fair Trade products—which means more of the profit goes to the actual maker of that product**

**Nov. 2nd (5:00 - 9:00 pm)** Ten Thousand Villages will dedicate 15% of their profit from St Paul's member purchases to the organization of our choice, to help the people of Tanzania.

*"It is not where you are, but what you do there that matters."*

Your participation helps by not only supporting artisans from all over the globe, including Tanzania, but then sending a portion of the store's profit directly back to them.

A product sampling will be displayed in the Narthex in October.
